

Program

Seminar

**« Safe Communities and a Sustainable Chemical Industry 1996-2006:
Present situation and future prospect of LUP concerning
existing situations with uncomfortably high risks»**

Hosted by the European Commission –JRC MAHB and France –

Organization : DRIRE Alsace

22-23 Novembre 2006

Wednesday, 22 November 2006

9.00	Registration	
09.30	historical context, expectations of the seminar	Alain LIGER, Director of DRIRE Alsace FR
10.00	Land-Use Planning in the context of the Seveso II Directive	Michalis Christou, JRC, MAHB-JRC
10.25	<i>Roadmaps for good practices in LUP</i>	Michael Struckl, Austria
10.45	SESSION I : Land Use Planning Practices and evolution in Selected Member States	
	3 countries are invited to talk about their actions on land use planning concerning existing situations.	
10.45	<i>UK experience in LUP</i>	John Murray, HSE, UK
11.15	<i>"Netherlands experience in Land Use Planning"</i>	Adriaan van Doorn, Ministry of VROM NL
11.45	<i>"France experience in LUP"</i>	Pierre BOIS, DRIRE Alsace FR
12.15	General discussion / Conclusion	Chair : Michalis Christou, JRC, MAHB-JRC
12.30	Lunch Break	
14.00	SESSION II Frameworks for addressing Societal Concerns ; MS Practices in Risk/hazard Assessment	
14.00	<i>The English ALARP approach</i>	John MURRAY, HSE UK
14.30	<i>The French MMR approach</i>	Cédric Bourillet, MEDD FR
15.00	Questions/answers	
15.30	Coffee Break	
16.00	Tools for communicating about major accident risk associated with Seveso plants to land use planners	Ylva Gilbert, Finland
16.30	A systematic framework for assessment of multiple concerns for land-use planning – Conclusions from the LUPACS project	Michalis Christou, MAHB
17.00	Debate / questions-answers about societal tolerance of risk	Chair : Pierre Bois
	<ul style="list-style-type: none"> ▪ <i>Exploring factors that help define levels of societal concern</i> ▪ <i>Considering the approaches to addressing societal concern</i> ▪ <i>Examining the balance & impacts between preventive measures and land use planning</i> ▪ <i>Considering the relative role of emergency planning</i> ▪ <i>Coordination between Risk Assessment, LUP, Emergency planning</i> 	
17.30	conclusions	

Thursday, 23 November 2006

09.00	Opening of Second Day	
	Session III working towards resolving known uncomfortably high risk situations	
9.15	The UK LUP approach to solve known uncomfortably high risk situations	John MURRAY, HSE GB
9.45	The new French legislation as a Follow Up of the Toulouse Accident to solve known uncomfortably high risk situations (PPRT)	Christian VENET et Fabrice ARKI , MEDD FR
10h15	Risk/hazard Assessment for LUP purpose	Valérie Dedianous, INERIS FR
10.45	Coffee Break	
11.15	Study of the territory	Bernard GUEZO et Gérald GARRY, CERTU et MTETM FR
11.45	The experimental site of Mazingarbe	Nicolas Santerre et Lionel JOUBAUD, DRIRE NPDC FR
12.30	Conclusions, general discussion	Chair : Cédric BOURILLET
12.45	Lunch break	
14.15	The Azko NOBEL case	Sebe BUI TEKAMP, Ministry of VROM NL
14.45	Land Use Planning and Seveso Plants : communicating risk	Maria STRANGL
15.30	Conclusions	DPPR, FR
